Mr. President and members of the Senate. This resolution does exactly what it says on the Calendar, and I would

appreciate a Do Pass motion. What this does is since the railroad is owned by a utility and been sold off to someone else and it does possibly jeopardize the only real access to the largest shaft mine in the world, Peabody No. 10 down at Pawnee. I would appreciate support on this resolution.

PRESIDENT:

All right. Senator Davidson has moved the adoption of Senate Resolution 142. Is there any discussion? If not, those in favor of the adoption of the resolution will vote Aye. Opposed vote Nay. We would ask the members who know...better than all the rest of us, anything controversial, let's skip it. Let's try to move through just mechanically so that we can move bills from 2nd to 3rd. PRESIDING OFFICER: (SENATOR LUFT)

All right. Would you please take this out of the record, Madam Secretary. Whoops, I'm sorry. Senator Netsch.

SENATOR NETSCH:

The bill is not controversial, it came out of committee 14 to 1. And at some point it would be very courteous if the President would let me know how he is planning to goof up my bill. And I would like to get it moved off of 2nd reading.

Thank you, Mr. President. Floor Amendment No. 1 to Senate Bill 175 is basically a technical amendment. What it does do is it does allow a yes or no vote. And since this bill deals with elections, I think we ought to allow that kind of vote.

PRESIDING OFFICER: (SENATOR LUFT)

SENATOR DEMUZIO:

PRESIDING OFFICER: (SENATOR LUFT)

Senator DeAngelis.

SENATOR DeANGELIS:

Senator Demuzio, the amendment...the bill allows elections that were left out by a glitch. But what we had left out in trying to correct the glitch is that we have to have let the question be in such a way that you could vote for or against. What we simply did is allow them to have an election but they couldn't vote.

PRESIDING OFFICER: (SENATOR LUFT)

2nd reading of the bill. The Committee on Transportation offers one committee amendment.

PRESIDING OFFICER: (SENATOR LUFT)

Senator Woodyard on Committee Amendment No. 1.

SENATOR WOODYARD:

Thank you, Mr. President. Committee...Amendment No. 1 was recommended by the State Police and IDOT and certainly overcome, or...or...or alleviates their...their objections to the bill and...and in which they now very much support. But it involves motorcycle helmet intercoms and this simply tightens up the bill to be sure that...that this applies only to...intercom systems in motorcycle helmets and does not apply to any of the restrictions that we have in the state on headsets.

PRESIDING OFFICER: (SENATOR LUFT)

Discussion? If not, Senator Woodyard moves for the adoption of Committee Amendment No. 1 to Senate Bill 372. Those in favor signify by saying Aye. Those opposed Nay. In the opinion of the Chair, the Ayes have it and the amendment is adopted. Any further committee amendments?

SECRETARY:

No further committee amendments.

PRESIDING OFFICER: (SENATOR LUFT)

Any Floor amendments.

SECRETARY:

PRESIDENT:

PRESIDENT:

3rd reading. That seems to be a logical break point, we'll stop at 400. That...that contains the magic words, we're going to stop right there for today, thank you, very much. The Chair would just point out for those of you who have not yet seen it that a...a memo has been distributed containing the schedule changes. The Committee of the Whole which will meet next Monday will convene at three o'clock instead of noon. The three o'clock is to accommodate the schedule of the Governor. He does intend to testify and he

wishes to testify first, so he will be the leadoff witness at the Committee of the Whole, but he cannot be here until three o'clock. So we will start the committee meeting at three o'clock. And then the Insurance and Appropriations I Committees, I take it, will meet immediately after the Committee of the Whole. Transportation has scheduled an additional meeting which I'd ask you to note. And because of the large number of bills that have been reported from committees, we have scheduled Monday, May the 18th to start the Session at noon on Monday, May 18th. Senator Brookins, for what purpose do you seek recognition?

SENATOR BROOKINS:

Thank you, Mr. President. On Monday there's going to be an installation or...or swearing in in the City of Chicago of the Mayor of the City of Chicago, and I was wondering what...were you aware of that, and, if so, was any arrangements...

PRESIDENT:

I'm...I'm on the program as is the Governor, that's why...that's why we're starting the Committee of the Whole at three o'clock. The installation is at noon, or the...yeah. Senator Macdonald, for what purpose do you seek recognition?

SENATOR MACDONALD:

Thank you, Mr. President. I rise to ask to have Senator Geo-Karis added as a hyphenated cosponsor to Senate Bill 1177.

PRESIDENT:

All right. The lady seeks leave to have Senator Geo-Karis added as the hyphenated cosponsor on Senate Bill 1177. Without objection, leave is granted. Senator Smith, for what purpose do you seek recognition?

SENATOR SMITH:

Thank you, Mr. President and members of the Senate. I'd like to remind the members of the Public Health, Welfare and

Corrections Committee that we will...convene promptly at 2:00 p. m. in Room 400. Our workload is heavy today and so we're asking that they come on time, all of our sponsors and those who are going to testify, so that we can handle our business with dispatch. Thank you.

PRESIDENT:

Senator Hall, for what purpose do you arise?

SENATOR HALL:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. I'd just like to remind all the members of...Appropriation II that we're going to meet immediately after adjournment. Would you please all gather in Room 212...on time.

PRESIDENT:

All right. Appropriations II immediately upon adjournment, Public Health immediately upon adjournment, and Elections immediately upon adjournment. There's a heavy schedule, we will conclude here very shortly. Senator Holmberg, for what purpose do you arise?

SENATOR HOLMBERG:

Thank you, Mr. President, for the purpose of transferring sponsorship of two bills. I am now the current sponsor and I would like to change the sponsor, with her permission, to Senator Ethel Skyles Alexander and those two bills are Senate Bill 647 and Senate Bill 648.

PRESIDENT:

All right. The lady seeks leave to be removed as the chief sponsor of Senate Bill 647 and 48 and have substituted in her place Senator Ethel Alexander. Without objection, leave is granted. Resolutions, Madam Secretary.

REEL #2

SECRETARY:

Senate Resolution 216 offered by Senator Poshard.

Senate Resolution 217 offered by Senator Poshard and they're all congratulatory.

If not, Senator Vadalabene moves that the Senate stand adjourned until Friday, May 1, tomorrow morning, at the hour of eleven. And Senator Philip and I have agreed that we will be gone and back to...on our way back to our districts by noon. Eleven o'clock tomorrow morning.
